Conservation Camp finished with no problems. Adam Kaczmarzyk from Swiftwater was named outstanding camper.

Bog programs started July 7. Attendance has been good and we are following all Covid-19 protocols.

Both weeks of day camp had full registrations. Two very busy weeks with lots of staff involvement.

The Pleasant Valley environ team finished 7th in the virtual International Competition. They did an excellent job in all areas and were a pleasure to work with

We are in the process of scheduling fall and spring school programs. So far we are looking to return to a normal schedule. All our EE staff is fully vaccinated which should allow us to go into the classrooms.

Outside groups are again scheduling visits to KC, offsite programs and bog walks. We are following covid-19 protocols in all cases.
