April 2026 Program Summary and Upcoming Events:

- EE staff saw 2491 guests across 74 programs and 23 building open days.
- Highlights included hosting many school groups for field trips and bog walks. We also began our kayak trips for school groups in April, and returned to East Stroudsburg High School South for their multi-day creek exploration program for all 10th grade Biology students.
- We finished up our Maple Sugaring bottling and site clean-up. We bottled approximately 20 gallons of syrup this year!
- We are beginning planning for Summer Day Camps and Conservation Camps and are looking forward to additional staff support for these experiences with 2 additional contracted services employees to act as camp counselors in day camp and 2 interns who will assist wherever needed!
