May 2025 Program Summary and Upcoming Events:

EE staff engaged 1308 guests across 68 programs during the month of May. Highlights include:

- Hosting over 100 middle schoolers in mid-May for our annual Junior Envirothon
- Accompanying the winning high school Envirothon team to their state competition where Monroe County finished 9th out of all 67 counties!
- Beginning our popular kayak bog trips and early morning birding walks to connect participants with nature at the bog

What's next:

- We are concluding our busy field trip season and looking ahead to summer day camps and Conservation Camp.
- Improvements to our building displays continue and we are working with an artist to design a new illustrated trail map to make navigating the trails easier for visitors.
