## **LET'S MAKE FIRE CIDER! DIY WORKSHOP**

**Saturday, January 10**

**10 AM - 11:30 AM**

**\$20** ♿

Fire cider is a traditional and beloved herbal tonic made with apple cider vinegar, honey, and other ingredients to support digestion, circulation, and immunity. It's fun and simple to prepare once you know how. Join us to learn about its history and benefits and make your own custom blend with the help of a local herbalist. Pre-registration required by Wednesday, January 7th.

## **OWL PROWL**

**Saturday, January 10**

**6:30 PM - 9 PM**

**\$20, Ages 12+**

Explore the mysterious world of owls! We'll begin at Kettle Creek with an introduction to owl biology, owl pellet dissection, behavior and identification. Then we'll head to the Tannersville Cranberry Bog for a nighttime search for owls with Darryl Speicher from Pocono Avian Research Center. Participants may carpool with staff on the bus (Limit 12 seats) or drive separately. Participants should bring a flashlight.

## **KETTLE CREEK FOR KIDS: HOOTS AND HOWLS FOR SNOWY OWLS**

**Tuesday, January 13: 10 AM - 11 AM**

**Tuesday, January 13: 1 PM - 2 PM**

**\$7, Ages 3-6**

Join us in learning about a rare and majestic wintertime visitor to the Poconos—the snowy owl. This lesson will include a short outdoor adventure, story time, and a craft.

## **KETTLE CREEK FOR KIDS: CLUES IN THE SNOW**

**Tuesday, January 20: 10 AM - 11 AM**

**Tuesday, January 20: 1 PM - 2 PM**

**\$7, Ages 3-6**

Become an animal track detective! We will explore how different wild animals move, take a walk to look for tracks and other signs, and finish by crafting our own animal track guide to take home.

# **JANUARY**

## **EAGLE WATCH BUS TRIP**

**Friday, January 23**

**8:30 AM - 4 PM**

**\$35**

Take a trip along the Upper Delaware River in search of our national symbol, the Bald Eagle. Once a rare sight, many wintering and resident eagles now inhabit this region and the probability for sightings is high. Participants should pack a lunch. Limited binoculars available upon request.

## **POCONO WILDLIFE**

**Saturday, January 24**

**10 AM - 11:30 AM**

**\$5** ♿

Join locally-renowned naturalist and former KCEEC Coordinator Roger Spotts for a look at the great variety of creatures that share the Poconos with all of us.

## **KETTLE CREEK FOR KIDS: FEATHERED FRIENDS FEAST**

**Tuesday, January 27: 10 AM - 11 AM**

**Tuesday, January 27: 1 PM - 2 PM**

**\$7, Ages 3-6**

Discover how birds get ready for winter, explore foods they eat, and learn how different beaks help them survive the cold season. Each child will create their very own bird feeder craft to take home and help out feathered friends through the winter months!

## **FULL MOON WALK**

**Saturday, January 31**

**6:30-8:30**

**\$5**

Take a walk under the light of a full moon on a clear winter night. Even though it is the middle of winter there are many things going on outside at Kettle Creek. This is a walk for the whole family to enjoy. Participants should bring a flashlight.

# FEBRUARY

## **EAGLE WATCH BUS TRIP**

**Friday, February 6**

**8:30 AM - 4 PM**

**\$35**

Take a trip along the Upper Delaware River in search of our national symbol, the Bald Eagle. Once a rare sight, many wintering and resident eagles now inhabit this region and the probability for sightings is high. Participants should pack a lunch. Limited binoculars available upon request.

## **MEET THE ARTIST: "Community Conservation"**

**Saturday, February 7**

**11 AM- 1 PM**

**No Charge** ♿

Curated by our Watershed Specialist, Charles Kelshaw. The exhibition features artworks and maps created by local conservation partners from watershed associations and fishing clubs to educators and beyond.

# MARCH

## **MAPLE SUGARING COMMUNITY DAY**

**Saturday, March 7**

**Saturday, March 14**

**9:30 AM - 3 PM**

**\$6 Adults/\$4 Children Under 12**

Celebrate our 49th year of maple sugaring! Learn why sap flows this time of year and how people first learned to make syrup. Watch us turn sap into syrup, then taste it on pancakes as you celebrate this sweet tradition with us!

**This Program Takes Place at Meesing Outdoor Site.**

## **MIDDLE CREEK BUS TRIP**

**Friday, March 27**

**8 AM - 4 PM**

**\$35**

Middle Creek Wildlife Management Area is a major stop-over for tremendous numbers of Snow Geese— their huge flocks in flight sometimes create a "blizzard" of birds. Join us on this trip to observe a truly stunning spectacle of nature. In addition, a variety of waterfowl, raptors, and other birds should be seen. Participants should pack a lunch. Limited binoculars available upon request.

# APRIL

## **MEET THE ARTIST: "Waterways and Byways"** **by Jeff Koopman**

**Saturday, April 11**

**11 AM - 1 PM**

**No Charge** ♿

## **FAIRY GARDEN WORKSHOP**

**Saturday, April 18**

**10 AM - 12 PM**

**\$20 Ages 12+** ♿

Join us for a relaxing morning of creativity where we will let the magic of nature inspire our very own miniature enchanted gardens. Use a variety of small props and natural materials to bring your creation to life. All materials will be provided, but participants may bring a basket or jar to build their garden in.

## **MEET THE ARTIST: "Connecting to Nature"** **by Sherry Acevedo**

**Saturday, May 2**

**11 AM - 1 PM**

**No Charge** ♿

Capturing the aesthetic beauty of natural landscapes and wildlife through photography. Through her camera lens she "chases the moon" and connects us to nature through the seasons.

## **POND PEEKING**

**Saturday, May 2**

**10 AM - 11:30 AM**

**\$5**

Bring your boots and your curiosity as we head to the pond to explore! Use a net to scoop into the water and discover the plants and animals that live there. Collect samples, look closely at what you find, and work together as we peek into the pond!

# MAY
