October 2025 Program Summary and Upcoming Events:

- EE staff saw 1137 guests over 29 programs and 25 open days in the month of October.
- Highlights included many public and reserved bog walks, the return of Kettle Creek for Kids for the autumn season, and field trip and classroom visits for Stroudsburg and East Stroudsburg schools with Pocono Wildlife and Pocono Habitat themes.
- We joined Arlington Elementary's afterschool STEAM Club for 2 dates to help students create their own river models and look for signs of change. We will join them on a field trip to study river chemistry in November.
- We are attending the North American Association for Environmental Educator's virtual conference this November where we are attending a variety of sessions on EE pedagogy, teaching about climate change, and making programming more accessible and inclusive.
