Sites:

-Maple sugaring season wrapped up with another successful year. Produced 35.8 gals. of syrup and had 230 tree sponsors. Overall very successful even with covid-19

Programs:

-Our spring programs for schools are all being offered in Zoom format and also as an outside program at schools as an option.

-Preparations for virtual envirothon competitions for High School and Jr.'s are ongoing as well as training.

-We are planning a series of videos and one live stream program for area schools revolving around Earth Day April 22, 2021.

-We have made arrangements for our elk watching bus trip in Sept. and our bus trip to Chincoteague in Oct. Spaces are available on each.

-Applications are being accepted for Conservation Camp as well as Day Camp. All CDC Covid-19 recommended guidelines will be followed.

-We are working in cooperation with Monroe Co. Solid Waste Authority and DCNR to do a teacher workshop in Aug. on Water quality and how it relates to Human impacts.

Miscellaneous:

-Spring Newsletter was produced electronically
