Dear Pat:

Enclosed is a copy of the Annual Report of activities conducted by the Monroe County Conservation District at the Tannersville Bog for 2019.

I have enclosed copies of our registration sheets for our public programs. We tried to get accurate hometowns for the people who attended it is very difficult to get complete addresses during registration at the Bog. I hope this will be helpful. If you have any questions please give me a call. Thanks for all your help.

Sincerely,

Roger Spotts
Environmental Education Coordinator
