PROGRAM TOTALS Year To-Date:

Programs - 245
Attendance - 7,506

Bog:

We added additional carpet strips on boardwalk to help prevent slipping and also replaced a few boards.

Programs:

Spring School programs are proceeding well, contracted services and technical staff are assisting.

High School Envirothon was held May 3. 20 teams competed with 100 students participating. PV took first and second and PMW took third. KCEF helped provide funds for food and trip to states.

Earth Day was moved indoors due to weather concerns but still had over 900 people attend.

Plans are continuing for Conservation Camp. We still have space for more students and we have received great support for the scholarship fund from area businesses, civic groups and individuals.

Finalized plans for another bus trip to Cherry Springs State Park for a star gazing weekend.

Miscellaneous:

Interviewed candidates for EE position.
