EE Staff did fall maintenance on driveway and also continued working with DCNR on parking lot expansion.

TCBOG:

The bog opened for walks in mid Oct. and we were able to complete all the scheduled school programs.

Minor repairs were made to the creek platform at the bog.

Programs:

Fall school programs finished and invoices have been sent.

The trip to Chincoteague was very well received with a waiting list. We are planning to repeat the trip next Oct. along with one Elk trip in Sept. 2020.

EE staff is looking to update our programs with all Monroe County Schools and make modifications where necessary.

Miscellaneous:

Bird Seed sale was a success with over \$2,000.00 raised from the sale. Members of Boy Scout Troop #84 and their leaders assisted on the day of the sale. The gift shop will carry birdseed for sale throughout the winter feeding season.

The winners in the annual photo contest were selected by MCCD staff and notified. We chose 11 winners and one grand prize winner for the calendar that will be available for sale in Dec.

We are currently accepting Maple tree sponsors for the 2020 sugaring season.

Attended 1st meeting of Farm To School planning group for Monroe County
