RE: Kettle Creek Environmental Fund 27th Annual Dinner Donation Request

Dear Potential Donor:

Kettle Creek Environmental Fund (KCEF) is a non-profit 501(c) (3) organization, is registered as a charitable organization with the Department of State's Bureau of Charitable Organization Certification of Registration No. 10752 and has a Federal ID #23-2656438. KCEF fundraises for the Kettle Creek Environmental Education Center (KCEEC). KCEEC offers environmental education programs for children and adults of all ages in Monroe County and the surrounding areas.

On behalf of KCEF, I am requesting a donation to our 27th Annual Dinner which will be held on September 21, 2018 at Trout Lake Retreat in Bartonsville. The Dinner is a fundraiser to support our programs of "Conservation Through Education" and features a film competition depicting films created by Monroe County students.

Proceeds from past Dinners have gone toward the purchase of outdoor equipment/gear/clothing, digital video/audio equipment, laptop computer, hybrid vehicle, handicap accessible 15-passenger bus, reconstruction of the sugar shack including an evaporator and a sap finisher, an outdoor learning pavilion and the acquisition of an additional 46 acres at the KCEEC. Most recently a 2018 Wish List was approved to continue to fund Conservation Camp, the high school and junior high Envirothons, Bug Fest, and sending all 4th grade students from all four Monroe County School Districts to the Tannersville Cranberry Bog. All these items will be funded thanks to individuals and businesses like yourself who have donated to our dinners in the past.

If you would like more information or are interested in attending the event, please call 570-629-3061.

Thank you in advance for your consideration and donation.

The KCEF Board of Directors

KCEF is a 501(c)(3) organization. Please consider us in your estate planning by calling or emailing us at kettlecreekfund@gmail.com to learn more about helping to preserve our natural heritage.
