Maple sugar programs are proceeding well. Weather postponements have been necessary.

School spring program calendar is extremely busy and almost complete.

We have scheduled two overnight bus trips for the fall. The elk trip is Sept. 16-18, and has limited space available. We are offering a new 4 day bus trip to Chincoteague in Oct. and the trip filled up within a week of announcing it.

Plans for Earth Day, April 27 are proceeding well.

Miscellaneous:

We had 197 tree sponsors for Maple sugaring our highest total ever.
