

# Discovering Nature

## Photo Scavenger Hunt

Spend some time outside in celebration of Earth Day and take a photo of everything in this list! Feel free to tag us on Instagram @kettlecreekeecenter or Facebook @KettleCreekEnvironmentalEducationCenter if you'd like to share your favorites.

- A cool mushroom or fungus
- A pollinator
- Something that doesn't belong
- Take a selfie with something you think is beautiful
- Something twisted
- An interesting shadow
- Something that looks like the first letter of your name
- A spider web
- A drop of water
- Something that makes you happy
- Something that is translucent (you can see light through it)
- Something you think is gross
- Take a selfie under a tree
