Potential intern students are asked to realize their responsibilities to the Monroe County Conservation District, the university and themselves to complete the minimum contact hours per credit. Interns should be aware of the confidentiality inherent with any environmental regulatory program and of their exposure to sensitive information contained within office files.

The objective of the internship program is to provide a learning experience which is broad in scope. The participant will be exposed to an environmental protection/regulatory program that will provide insight into current issues, law, regulation, and enforcement associated with resource protection.

In consideration of my desire to serve as a practicum with the Monroe County Conservation District, I hereby assume all responsibility for any and all risk of property damage or bodily injury that I may sustain while participating in any practicum activity of any nature, including the use of equipment and facilities of the Monroe County Conservation District.

Further, I, for myself and my heir, executors, administrators and assigns, hereby release, waive and discharge the Monroe County Conservation District and the County of Monroe and its officers, directors, employees, agents and volunteers of and from any and all claims which I or my heirs, administrators and assigns ever may have against any of the above for, on account of, by reason of or arising in connection with my practicum activities or my participation therein, and hereby waive all such claims, demands and causes of action.
